Pigmented Inks

Exquisitely rich, water based opaque inks for special occasions.

- Decorative ink, best suited for wide nibs, brushes and calames
- High pigment content; gold and silver inks contain actual metallic pigments (shake vigorously and often while using)
- Jewel-like ink in four brilliant colors: opaque white /01, gold /04, silver /05, copper /06
- Very effective on dark colored paper
- Not for fountain pens
