

## Wet Techniques

Our papers have been designed and produced to support all wet mediums from watercolor, to gouache and more. We understand that choosing the right paper is essential and have ensured that ours meet the strictest requirements for absorbency and color preservation. Made with 100% cotton and/or cellulose fibers, using a combination of centuries-old know-how and modern technology for an exceptional experience.

## Dry Techniques

Our range of drawing and sketch papers lend themselves to a variety of mediums such as pencil, pastels, charcoal and more. Each features a distinct surface texture that enriches artistic expression and brings out the best in your work.

## Mixed Media

Our mixed media papers are loved by students, hobbyists and professionals alike. They have been developed to adapt to a wide range of mediums, from wet to dry. Exceptionally suited to pencil, pen & ink, layered collage, acrylics and even watercolor, our mixed media papers will hold up to the rigorous task!

## Calligraphy

Calligraphers from beginners to professionals, have very specific requirements for the paper, ink and nibs used in their work. We are proud to offer a vast range of exceptional tools to meet their demands. Our Brause steel nibs, made in Germany since 1850, along with our fine European papers and historic Herbin inks are a favorite of lettering artists worldwide.
