

ÉCLATS ^{NEW}

DYE-BASED WATERCOLOR INKS

Jacques Herbin proudly introduces Éclats, a new range of premium artist dye-based watercolor inks. With a distinctly higher viscosity than comparable dye-based and liquid watercolor inks, Éclats dye-based watercolor inks have remarkable color vibrancy, are easily mixable and re-wettable.

Éclats' distinctive packaging reflects what these premium product features. The introduction of Jacques Herbin's high quality Éclats range is consistent with the company's legendary history for premium inks and sealing waxes.

Established in Paris in 1670, Jacques Herbin is the oldest name in ink production. J. Herbin was an adventurous sailor who brought back to Paris, formulas for manufacturing sealing wax and inks from his many journeys to India. Used by generations of prominent people, from Louis XIV, Victor Hugo to Coco Chanel. Jacques Herbin products are manufactured in France. We remain committed to the tradition of creating exclusive premium inks and sealing waxes.

Jacques Herbin is a subsidiary of the Exacompta Clairefontaine Group and is distributed in the United States exclusively by Exclair, Inc.
