EXACOMPTA PARIS

Exacompta is one of the best-known providers of office and filing supplies in Europe.

Founded in 1928 at a time when accounting was done by hand, Exacompta —a play on the words "comptabilité exacte" (exact accounting)—began to manufacture ledgers of exceptional quality.

Today, the company continues to operate one of the largest factories in Paris, carrying on the legacy of developing and manufacturing premium **desk pads**, **planners**, and **organizers**. Planners can found on pages 84-85.
