2027 PLANNERS

Quo Vadis—Latin for "Where are you going?"—was founded in 1954 by Dr. Francis George Beltrami who envisioned a better way to organize his time than traditional appointment books allowed.

Since 1947, **Exacompta** has been crafting highly regarded planners in its Parisian workshop located on the border of the Canal Saint-Martin, where they are still designed and manufactured to this day.

The **Rhodia Weekly Planner** is designed for today's lifestyle with a simple and uncluttered format combining a notebook and planner all in one.

Quo Vadis, Exacompta, and Rhodia planners offer decades of **quality, innovation, and a commitment to sustainability** to help individuals master their daily lives.

Practical, durable, and refined, every planner provides a feature-rich layout, thoughtful design, and smooth, pen-and-marker-friendly Clairefontaine paper for an effortless writing experience.

Key Features for Organized Living:

- Daily, weekly, and monthly formats
- Horizontal and vertical layouts
- Calendar year & academic options
- Ample space for notes, lists, and goals
- Quick-reference tear-off corners
- Refillable (except Rhodia)
